Dear Clerk,

On July 30, 2006 I wrote to you requesting assistance pertaining to sending me sample forms or what is "Certificate of Service" and "Notice" like as well as the "Certificate of Service" sample form from Rule 7.1 as the Court requires to proceed with my Preliminary Injunction motion which has been denied without prejudice for improper Certificate of Service. You can view it on pg. 10. I have not received a response.

In closing, will you send me copies of myocket entries and kindly inform me of the status of the above mentioned motion. Thank you very much.

Respectfully yours,
